ASC Complaints Procedure

At Assisting Students Creatively, we are committed to providing exemplary support to all our students. However, we understand that issues may arise occasionally. If you are dissatisfied with our services for any reason, please inform us promptly so we can address the issue, rectify it, and prevent recurrence.

Informal Resolution:

Stage 1:

Many concerns can be resolved informally. Approach your support worker directly to discuss any issues or requests you may have. We value your feedback and aim to adapt our support to meet your needs effectively.

We do our best to ensure that support workers are best matched to students, however we do not always get this right first try. If you wish to be reallocated then this can be arranged. You can request this by emailing us at info@asc-support.com.

A member of the team will review your requests and feedback. At your request, we can relay suggestions to your support worker on your behalf and allow them the opportunity to acknowledge and improve upon your feedback. Alternatively, we can find another suitable and qualified support worker to meet your requests as best as possible.
